TBD Awards Banquet Dinner and Show

Our purpose and passion for the Augusta Dance Challenge are to provide the most positive dance experience with constructive, personalized feedback for each dancer. Dancers and their teachers will receive praise for what is already done well and specific ideas for development. Our innovative, student-centered awards system averages all judges' scores for the entire day by individual, age, dance level, and type of dance. We separate numbers of times danced from how you dance and recognize both! All students will receive their scores and judges' comment sheets, a valuable learning experience for each dancer and teacher to build upon in the next year of dancing. The banquet will be followed by the top 5 solos selected from the Friday night exhibitions for an entertaining dance show somewhat like Dancing with the Stars.

Event Location:

The Ballroom Dance Center, 525 Grand Slam Dr.
Evans, Georgia 30809
