

The Ballroom Dance Center COVID-19 Policy as of December 1, 2021

There are many controversial opinions, rapidly changing data, and detailed variables on COVID-19, but several actions are recommended by most health professionals and form the basis for our safety guidelines.

- Vaccinations
- Social Distancing by 6 feet
- Masks properly worn
- Frequent hand washing
- 14 days of isolation if sick or exposed

Individuals who have been diagnosed with COVID-19, have symptoms of COVID-19, or had contact with a person that has or is suspected to have COVID-19 within the past fourteen (14) days and have not completed the Post-Exposure Quarantine Protocol shall not enter the facility.

While attending The Ballroom Dance Center, I understand that I am required to do the following:

- Wear a mask (*optional, but encouraged*)
- Wash my hands for 20 seconds before and after activity.
- Masks may be opened at the bottom to breathe after exertion. Masks should fit snugly and cover the nose and mouth.
- Maintain a safe distance of 6 feet. **While partner dancing, we recognize you and your instructor or partner will be closer than 6 feet at times. Please maintain distance in all other circumstances. **
